WORKSHOPS

In our workshops “Live Pitch”, “Pitch Content”, “Elevator Pitch” or “Pitch Deck”, corporates and startups will learn which content is essential when pitching and how you can pitch it in front of an audience (investors, customers, partners, expert jury, conference etc.) effectively and authentically.

"A enthusiastic pitch leads investors to feel the team's passion, to comprehend the client's problem and to understand the business model's core idea. Pitch Club prepared our corporate startup teams with a lot commitment exactly there."

André Hedler, Vice President, AE Home of Innovation & Startups, Robert Bosch GmbH
